1. Setup Your Kagoshima University ID

Please pay attention to management of your ID and password. You cannot access to many IT services of the university without the ID. Once you receive the notice of "パスワード設定コード通知書, Kagoshima University ID password setup code", please setup your ID through login to "Kagoshima University ID My Page" to activate your ID.

Caution: The password setup code in the notice will be expired at a certain period of time. Once you receive the notice, register your password and secret question immediately.

1-1. Activate Your ID

Step 1. Open <https://id.cc.kagoshima-u.ac.jp> Kagoshima University ID My Page, and choose language "English". And follow the link titled "Please Set password from password setting code input screen".

Step 2. In the page titled "Enter password setup code", enter your Kagoshima University ID, and the password setup code, then click "Next".

Step 3. Create your password and enter it two times to appropriate fields in the page "Password setup". If this is your first setup of your account, check the checkbox "Set/Change also kadai mail address in the same time".

The following rules will be applied to your password for successful registration. Any passwords violate the rules will be denied.

- Any valid passwords must consist of at least 8 characters and up to 16 characters.
Available Characters
Alphabets and digits : A,a,B,b,C,c,... 1, 2, ... 9,0
Marks (The following marks only valid) : ! # = @ - ?
- Any valid passwords must include three types of characters, a small case alphabet, a digit and a mark.
A successful password setup shows a pop up message "Password has been set."

※ If you encounter the pop up message "Term of validity has expired so password setting code must be reissued.", you should submit the form "鹿児島大学ID 手続依頼書, Kagoshima University ID Form [Password Setup Code Reissue]" to the support counter of center.

Step 4. Register your contact email address.
Click on "Account Information" in the menu bar.

Find a contact e-mail address field, click to "Change" and enter your contact email address. Confirmation code will be sent from "info@cc.kagoshima-u.ac.jp". The code is valid

for only 10 minutes, so we recommend that you may proceed this registration process under email accessible environment. The received confirmation code should be entered to "Confirmation code" field. To finish the email registration, click "Next".

Step 5. Register Secret Question and Its Answer

Step 4 as a guide, select a secret question from "Secret Question" popup menu and enter your answer. Your email address, and secret question and answer are required to recover your account.

1-2. In Case of Lost Your Password

You can reset your password by registering your email address and secret question in advance as described in step 3 and 4 in the previous section.

Open the login page of "Kagoshima University ID My Page" site.

Step 1. Click "Here, if you forgot password".

Step 2. Choose "If Contact e-mail address is registered" or "If secret question is registered"

Step 2-1. If you choose "If Contact e-mail address is registered", enter your Kagoshima University ID and click "Next".

You will receive an email contains confirmation code from info@cc.kagoshima-u.ac.jp. Enter the code and click “Next”, new password should be entered twice into the respective fields in a new password setup page. Click “Reset password” to finish.

Step 2-2. If you choose “If secret question is registered”, select your question and put its answer to the field.

Once you click “Next”, new password should be

entered twice and click “Reset password” to finish.

Step 3. If you have no registered information, you should submit the form “鹿児島大学ID手続依頼書”, Kagoshima University ID password reset form”. We will give you “パスワード設定コード通知書, Password setup code notice”, so that you can setup your password according to the previous section step 1-1 as a guide.

1-3. In Case of Lost Your Kagoshima University ID

If you have the student number, you can obtain Kagoshima University ID through the “Kagoshima University ID my page” site. In the site,

Step 1. Click “Here, if you don’t know the Kagoshima University ID”

Step 2. Click “Next” in the window, “Display Kagoshima University ID”.

Step 3. Enter your “Student ID number” and “Date of birth”, and click “Display Kagoshima University ID”, your ID will be shown in the window.

※If you are not eligible to have the student number of Kagoshima University, such as a credited auditor, faculty member or staff, please submit “鹿児島大学ID手続依頼書, Kagoshima University ID query form” and bring your identification card to verify your identity.

1-4. Change Password

The password of Kagoshima University ID can be changed in the site, “Kagoshima University ID My Page”.

From the login page,
